

## AUDRA PARKER BIOGRAPHY

Audra Parker is the President and Chief Executive Officer of the Alliance to Protect Nantucket Sound, a non-profit environmental organization dedicated to the long term protection of Nantucket Sound off the coast of Massachusetts. She has been with the Alliance since January 2003. Audra holds a Master's of Science degree in Management from the Massachusetts Institute of Technology (MIT Sloan School) and a Bachelor's of Science degree in Applied Mathematics and Economics from Brown University.

Audra's previous experience is in the private sector with positions in executive management, strategy, and marketing. She was a Director and General Manager at MapInfo Corporation in NY where she managed its core software business and established technology and marketing partnerships for new products. From 1990 to 1997, Audra worked as a Strategy Consultant for Bull Worldwide Information Systems in Boston and in Paris where she improved financial and operational performance across businesses and geographic markets. She has also worked at Microsoft Corporation in Product Management and in Management Consulting at several strategy firms in Boston.
